

CCTV & Data Collection Policy

At Severn Motor Yacht Club (SMYC) we believe that CCTV plays a legitimate role in helping to maintain a safe and secure environment for all our members, guests, customers, and potential customers, committee and property stored at SMYC. Images recorded by CCTV are Personal Data and as such must be processed in accordance with data protection laws. We are committed to complying with our legal obligations in order to appropriately handle and protect Personal Data and ensure that the legal rights of members, guests, customers, and potential customers, committee and its partners and suppliers and contractors relating to their Personal Data, are recognised and respected.

This policy is intended to enable how SMYC uses CCTV and data collection of members, the rights individuals may have in relation to CCTV & data, who has access to CCTV images and data, how individuals can raise any queries or concerns they may have.

1. Definitions

For the purposes of this policy, the following terms have the following meanings:

SMYC: means, Severn Motor Yacht Club

CCTV: means cameras, devices or systems including fixed CCTV and any other systems that capture information of identifiable individuals or information relating to identifiable individuals.

CCTV Data: means any Data in respect of CCTV, e.g. video images, static pictures, etc.

2. About this policy

2.1: We currently use CCTV to view and record individuals at our Site, 24 hours per day, 7 days per week. This policy sets out why we use CCTV, how we will use CCTV and how we will process any CCTV Data recorded by CCTV to ensure that we are compliant with Data Protection Law.

2.2: The images of individuals recorded by CCTV are Personal Data and therefore subject to the Data Protection Laws. SMYC is the Data Controller of all CCTV Data captured at our Site.

2.3: This policy covers members, guests, customers, and potential customers, committee and its partners and suppliers and contractors and may also be relevant to members of the public visiting the Site.

2.4: Members data collection is to include all services supplied such as holding invoice data such as moorings, electric bills, bar & food sales, chandlery etc

3. Committee responsibility

SMYC committee has overall responsibility for ensuring compliance with Data Protection Laws and the effective operation of this policy. Day-to-day operational responsibility for CCTV and the storage of CCTV Data recorded, members data collection is the responsibility of committee.

4. Why we use CCTV and data members data collection

4.1: We currently use CCTV around our Site as outlined below. We believe that such use is necessary for the following legitimate business purposes:

(a) to prevent or detect crime and protect buildings and assets from damage, disruption, theft, vandalism and other crime;

- (b) for the personal safety of staff, guests, customers, and potential customers, apprentices, employees of its partners, suppliers and contractors and other members of the public and to act as a deterrent against crime;
- (c) for health and safety of those using the tools and equipment
- (d) to support law enforcement bodies in the prevention, detection and prosecution of crime; and
- (e) to support any internal investigations as part of a staff disciplinary procedure.
- (f) to hold data of purchases made by members for audits, tax purposes, club usage, fraud of none members using members id and discount cards and ensuring club rules and by laws are adhered to.

We may implement or use CCTV and members usage data for purposes other than those specified above which we will notify you of from time to time.

5. MONITORING

5.1: Currently, none of our CCTV records sound.

5.2: A live feed from the CCTV is monitored continuously and images are only revisited in the event of an incident or if a request is made.

5.3: All staff can only view live cctv apart from committee who can retrieve recorded data required in the event of an incident.

6. How we operate CCTV

6.1: Where CCTV is in use at our Site, we will ensure that signs are displayed at the entrance of the surveillance zone to alert members, guests, customers, and potential customers, committee and its partners, suppliers and contractors that their image may be recorded. The signs will contain details of the organisation operating the system (where they are operated by a third party) and who to contact for further information.

6.2: We will ensure that live feeds from the CCTV are only viewed by appropriately authorised members of staff or third-party service providers whose role requires them to have access to such CCTV Data.

7. How we use the Data

7.1: In order to ensure that the rights of individuals recorded by our CCTV are protected, we will ensure that CCTV Data gathered from such systems is stored in a way that maintains its integrity and security. This may include encrypting the Data, where it is possible to do so.

7.2: We will ensure that any CCTV Data is only used for the purposes specified in section 4.1 above. We will not use CCTV Data for another purpose unless permitted by Data Protection Laws.

8. Retention and erasure of Data

8.1: Data recorded by our CCTV will be stored locally on servers at our Site. We will not retain this Data indefinitely but will permanently delete it once there is no reason to retain the recorded information. Exactly how long the Data will be retained for will vary according to the purpose for which it was recorded. For example, where images are being recorded for crime prevention purposes, CCTV Data will be kept only for as long as it

takes to establish that a crime has been committed or where we are using the CCTV Data for staff disciplinary purposes, the images will be kept until the process is completed. In all other cases, recorded images will be kept for no longer than 30 days before being overwritten and permanently deleted.

8.2: At the end of its useful life and in any event within 7 years all Data stored in whatever format will be erased permanently and securely. Any physical matter such as tapes or discs or hard copy photographs will be promptly disposed of as confidential waste. This is in exception for membership application that is classed as valid while a member is current.

10. Rights of Data Subjects

10.1 As CCTV Data will identify individuals, it will be considered Personal Data under applicable Data Protection Laws. Under Data Protection Laws, Data Subjects have certain rights in relation to the Personal Data concerning them. These are as follows:

- (a) the right to access a copy of that Personal Data and the following information (this may include CCTV Data captured by our CCTV):
 - (i) the purpose of the processing;
 - (ii) the types of Personal Data concerned;
 - (iii) to whom the Personal Data has or will be disclosed; and
 - (iv) the envisaged period that the Personal Data will be stored, or if not possible, the criteria used to decide that period;
- (b) the right to request any inaccurate Personal Data that we hold concerning them is rectified, this includes having incomplete Personal Data completed;
- (c) the right to request the Personal Data we hold concerning them is erased without undue delay, where it is no longer necessary for us to retain it in relation to the purposes it was collected; such as a member ceasing to be a member of SMYC
- (d) the right to request restriction of our processing of Personal Data in certain circumstances; and
- (e) the right to lodge a complaint with the Information Commissioner's Office, if the Data Subject considers that our processing of the Personal Data relating to him or her infringes Data Protection Laws.

11. SERVICE PROVIDERS

11.1 SMYC does not use a service provider. All data is stored internally and encrypted. Maintenance of the cctv system is carried out by committee

12. Requests of disclosure by third parties

12.1: No images from our CCTV cameras will be disclosed to any third party without express permission being given by the committee Data will only be disclosed to a third party in accordance with Data Protection Laws.

12.2: In other appropriate circumstances, we may allow law enforcement agencies to view or remove CCTV footage where this is required in the detection or prosecution of crime.
